### Instructions to Vendors

1. The Buyer (ARE) intends to purchase commodities and/or services identified in Attachment A. The term of the Ordering Agreement shall be from Award Date to the Delivery date of the Offer or unless extended by mutual agreement of the parties. The Buyer intends to award to a single “approved” vendor based on conformance to the listed specifications, the ability to service this contract, and selling price. We reserve the right to award to more than one vendor. If an Ordering Agreement is established as a result of this ToR, vendor understands that quantities indicated in the specifications (Attachment A) are an estimate only and ARE does not guarantee the purchase quantity of any item listed.
2. This procurement will be made by the Alliance for Rural Electrification (ARE) located at Rue d’Arlon 63-67, 1040 Brussels, Belgium.
3. **Technical criteria:** The firms with a proven track record in successfully planning, coordinating, and executing services indicated in the Attachment A at large-scale business events are eligible to submit their proposals for this ToR. All applying firms must be duly registered and in compliance with the legal and regulatory requirements of the host country.
4. **Proposal Requirements:** All Vendors will submit a quote/proposal which contains offers for all items and options included in this ToR. All information presented in the Vendors quote/proposal will be considered during ARE’s evaluation. Failure to submit the information required in this ToR may result in Vendor’s offer being deemed non-responsive. Vendors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach ARE’s office designated in the ToR by the time and date specified in the ToR. Any offer, modification, revision, or withdrawal of an offer received at the ARE office designated in the ToR after the exact time specified for receipt of offers is “late” and may not be considered at the discretion of the ARE Staff.
5. **Evaluation & Award Process:** ARE will award a contract under this solicitation to the responsible vendor whose proposal best meets the Terms of Reference (ToR) and offers the best value to ARE, considering price and other factors. The award will be made to the Vendor representing the best value to the project and to ARE. For the purpose of this ToR, price, delivery, technical and past performance are of equal importance for the purposes of evaluating and selecting the “best value” awardee.

ARE intends to evaluate offers and award an Agreement without discussions with Vendors. Therefore, the Vendor's initial offer should contain the Vendor's best terms from a price and technical standpoint. However, ARE reserves the right to conduct discussions after the company has been selected, if deemed necessary by ARE.

The candidates must present a technical proposal of the deliverables, specifying the details of each item mentioned in the ToR and supporting it with photos if required.

The candidates must also present a detailed financial proposal according to the following points:

1. Individual prices of each item
2. Total price without and with tax or other charges expressed in Euros or US Dollars.
3. Payment methods according to point 10.
4. It is required to attach a Bank Information Statement (BIS) document (person's identity and bank details.)

Both proposals will be evaluated by an internal selection committee who will ensure the principle of economic efficiency and cost-effectiveness.

The evaluation factors will be comprised of the following criteria:

- a) PRICE: Lowest evaluated ceiling price (inclusive of option quantities).
- b) DELIVERY: Vendor provides the most advantageous delivery schedule.
- c) TECHNICAL: Items/Services shall satisfy or exceed the specifications described in ToR Attachment A.
- d) PAST PERFORMANCE: Vendor can demonstrate his/her capability and resources to provide the items/services requested in this solicitation in a timely and responsive manner.

## 6. Deadline

The deadline to receive offers is **26 January 2025** to Okan Ozkan, Communications & Marketing Officer, ARE at [o.ozkan@ruralelec.org](mailto:o.ozkan@ruralelec.org).

## 7. Fees

The selected Vendor will be contracted by ARE. **The prices quoted** in the proposal **are not subject to change**. The Vendor sets the fixed price for the services, and ARE will pay accordingly.

**8. Support staff meals**

The awarded company shall be solely responsible for providing meals and refreshments for all support staff engaged in the project. All costs associated with the provision of food for support staff shall be borne by the awarded company and should be factored into their project budget and bid.

**9. Payment schedule and details**

Payments to the selected Vendor will be made along the following schedule:

- **50% of contract value upon contract signature by 31 January 2025** and submission of a valid and approved invoice by the Vendor to ARE.
- **50% of contract value** upon the full delivery of all services for the event, as well as submission of a valid and approved invoice by the Vendor to ARE.

The selected Vendor will be contracted by ARE and paid a service fee inclusive of VAT and any other government taxes, fees, duties, levies or similar.

Payment for services will be made via a valid invoice (VAT number included if applicable) that complies with the deliverables indicated in the payment schedule. Every invoice must have a unique invoice number and must include the date of service delivery.

Invoices must be sent in Euros or U.S. dollars and the vendor must have a valid account in Euros or U.S. dollars .

**Invoices should clearly indicate which service lines/deliverables are covered by each invoice (i.e. they should not be an overall % of the total amount).**

The Bank Information Statement (BIS) of the bank account of the recipient is requested in the financial proposal as stated in point 5, the information of which must also be included on the invoice. Invoices should be addressed to:

Alliance for Rural Electrification AISBL  
Rue d'Arlon 63-67, 1040 Brussels, Belgium  
VAT: BE 0883.277.545

Bank fees and Bank exchange rate costs are entirely at the expense of the Vendor. ARE only considers official National Bank exchange rates and not intermediary banks.

Payments will be payable within 60 days upon receipt and acceptance of deliverables and the correct approved invoice (electronic version) indicating the contract number and instalment requested.
